# The Little Prince

The puppet musical

When the narrator of our story was six years old, she saw a picture in a book called "True Stories" and that image impressed her a lot. So, after some work with her colour pencil, she managed to make her first drawing.

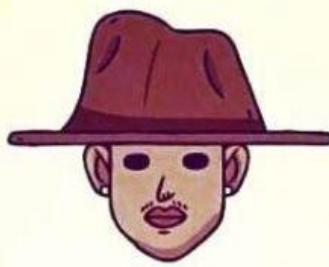

CUANDO LA NARRADORA DE ESTA HISTORIA TENIA 6 AÑOS, VIO UNA IMAGEN EN UN LIBRO QUE SE LLAMA "TRUE STORIES" Y ESA IMAGEN LA IMPRESIONO MUCHO. DESPUES DE MUCHO TRABAJO CON SUS LAPICES DE COLORES, LOGRO HACER SU PRIMER DIBUJO. ¿QUE PUEDE SER ESO QUE DIBUJO?
