REPORTED QUESTIONS

When reporting someone's QUESTIONS we must pay attention to the **WORD ORDER**.

yes/no questions

1. "**Is she** ready?" →question word order: **VERB + SUBJECT ... ?**
   He asked me **if** **she was** ready. →statement word order: **SUBJECT + VERB ... .**

2. "**Does she like** you?"
   He asked me **if** **she liked** me.

3. "**Did she see** me?"
   He asked me **if** **she had seen** him.

→Note that since this is no longer a question we don't need the auxiliary verb TO DO anymore!
The main verb changes either into the SIMPLE PAST (sentence 2) or the PAST PERFECT (sentence 3).

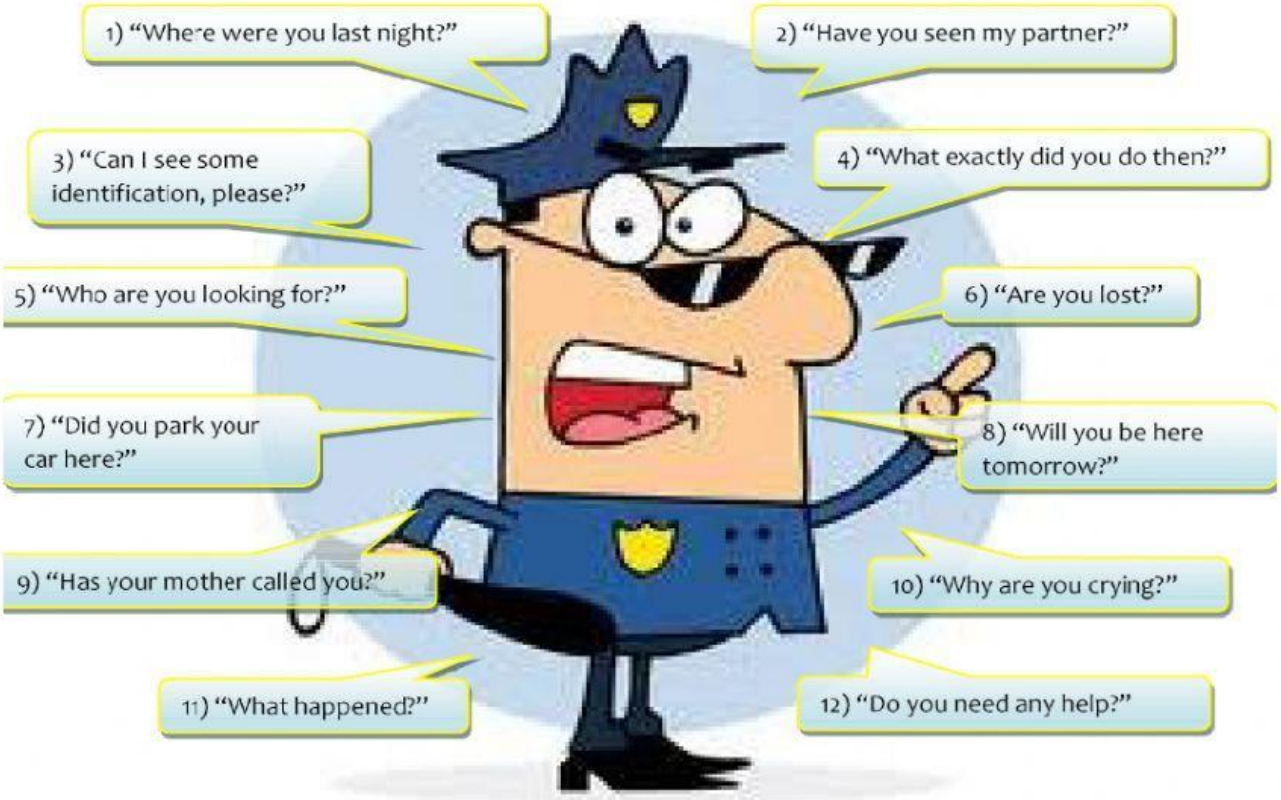

wh- questions

These types of questions follow the same rules above with one difference.

"When **is she coming?**"
He asked me when **she was coming.**

→The reporting verb is followed by the QUESTION WORD (in this case "when")
→In yes/no questions we must use either IF or WHETHER.
