## **Talking about music with...**

# **Tini**

Today, Bebe Contepomi, our music specialist, is talking with Martina Stoessel (Tini) about her experience at the Movistar Arena Festival, which took place last year in Argentina. For the first time, the singer will tell us about her performance with many other famous musicians.

**Bebe Contepomi:** Hello, Tini. How are you?

**Tini:** I'm fine. Thanks, Bebe.

**BC:** Good, let's begin! Did you like the festival?

**T:** Yes, I did. It was fantastic!

**BC:** Did you play songs from your new album? I heard it is awesome!

**T:** Yes, I did. I presented new songs and people liked them. I was very happy about that.

**BC:** Did you play songs from your first album, too?

**T:** No, I didn't. But I played many famous songs such as "Si tú te vas" and "Quiero Volver".

**BC:** Great! Now, let's talk about the other musicians. Did you perform many songs with Pablo Lescano and Abel Pintos?

**T:** No, I didn't. But I sang many songs with "La Sole" and Luciano Pereyra. It was amazing!

**BC:** Did you and the other musicians have difficulties to perform the shows?

**T:** No, we didn't. Luckily, everything was O.K.

**BC:** All right, Tini. Thank you for coming and talking to me, see you soon!

**T:** Bye, Bebe. Have a nice day!
