- 10) Turn off the lights

2. Say what things are **GOOD** and **BAD** from activity one.

**GOOD**

---

---

---

---

---

**BAD**

---

---

---

3. Read carefully and complete the second part of your final project.

-----Final Presentation-----

Paragraph 2: If we \_\_\_\_\_ the environment,  
it will die. If you \_\_\_\_\_ litter on the floor,  
you \_\_\_\_\_ to pollution.  
If you \_\_\_\_\_ biodegradable products, it \_\_\_\_\_  
better for the environment.

Paragraph 3: Now it is time to change, we should start helping  
our planet today! We \_\_\_\_\_ burn trees. We  
\_\_\_\_\_ leave the tap running when \_\_\_\_\_.  
We \_\_\_\_\_ turn off the lights and \_\_\_\_\_.  
We \_\_\_\_\_ recycle \_\_\_\_\_.

Conclusion: Finally, it is up to you find the way you can help  
save our planet. We cannot do it without you !
