

The Simple Past Tense

When talking about an activity that has already happened or is in the Past, we use the Past Tense.

To form the Past Tense of most verbs, add **ed** to the end of the word.

If the verb ends with 'e' just add 'd' to form the Past Tense.

For example: They **rac****ed** around the table.

Write the correct form of the verb in the brackets to complete each sentence.

Example: They liked the doughnuts yesterday. (like)

1. She _____ a lot last night. (dance)
