Among us

Among Us is an online multiplayer social deduction developed and published by an American game studio.

The game place in a space-themed setting, in which each take one of two roles, most being Crewmates, and a predetermined number being Impostors.

The of the Crewmates is to identify the Impostors, them, and complete tasks around the map; the Impostors' goal is to covertly and kill the Crewmates before they complete all their tasks.

Through a plurality vote, players believed to be Impostors may be from the game. If all Impostors are eliminated or all tasks are completed, the Crewmates; if there is an equal number of Impostors and Crewmates, or if a critical sabotage goes unresolved, the Impostors win.

Among us was released on June 15, 2018, however it became popular teenagers all over the world in 2020, due to many well-known Twitch streamers and YouTubers

..... Ibai Llanos, Rubius, TheGrefg, AuronPlay or Willyrex started to play it. In response to the game's popularity, a sequel, Among Us 2, was in August 2020. However, a month later in September, the planned sequel was, as the team instead shifted focus to the original game.
