Actividad #4 En la página 40 Leo el siguiente párrafo y contesto las siguientes preguntas.

In Costa Rica, there are many types of animals and plants. To protect them, we have many national parks and biological reserves. Costa Rica has beautiful places where you can have a **breath of fresh air**; some of them are:

Monteverde National Park is in Puntarenas. Here you can find the Monteverde Cloud Forest Reserve and a big variety of flora and fauna like quetzals, pumas, monkeys, jaguárs, and frogs.

The Gulf of Nicoya is a peaceful place with rocky islands and high biodiversity. Here, you can find the Tempisque River, forests, birds, crabs, shrimp, and shellfish.

As visitors, we must keep the beach clean. We should not litter.

Everyday Language

Idiom

A breath of fresh air.
"Something new that makes the experience more exciting."

Leo y escojo la mejor respuesta a cada pregunta

6 Answer the following questions.

a. Where can you find monkeys and quetzals? ¿Dónde puedo encontrar monos y quetzals?

Actividad #5 En la página 70 Observo los dibujos y los asocio escribiendo las letras donde correspondan.

At the Farm

santillana.cr/en4/320

- 1 Listen to a farmer talking about his gardening process.
Write the letters in the correct order.

I add pesticides to the plants so bugs don't eat them.

I dig in the dirt.

I plant the seeds in the dirt.

I prune the plants so they can grow stronger.

I use tools to add fertilizers to the plants.

I water the plants.

I weed the plants to eliminate things I don't need.

A Farmer's Life

Where does your food come from? Do you sometimes think about that?

Most people live in cities and don't know where their food comes from. Farmers have **green thumbs** and produce a lot of food that we eat every day.

It is really important to value the work of farmers. They have a different schedule than city people. They get up very early, just as the sun is rising. Let's look at their chores.

He is feeding the small cow.

She is collecting the eggs.

He is milking the big cow.

She is watering yellow flowers.

He is planting new flowers.

He is transporting the beautiful flowers.
