# Let's meet the sharks!

Read the text "Shark Tales" and answer the questions below.

1. What are sharks?
2. Where do they live? Did they live on earth for a long time?
3. What kind of animal are sharks? What do they eat?
4. What can you tell me about sharks' behaviour?
5. Do they have teeth? How are they?
6. Do they lose their teeth? How often?
7. How many teeth do they have in their life?
8. What's the most important thing that sharks can't stop doing?
