"Just the way you are" by Bruno Mars:

Oh, her eyes, her _____
Make the stars look like they're not shining
Her _____, her hair
Falls perfectly without her trying
She's so beautiful
And I tell her _____

Yeah, I know, I know
When I compliment her she won't believe _____
And it's so, it's so
Sad to think that she doesn't see what I see
But every time she asks me, do I look okay
I say

When I see your _____
There is not a thing that I would change
Cause you're amazing
Just the way you _____

And when you smile
The whole world stops and starts for a while
Cause, girl, you're amazing
Just the way you are, hey

Her lips, her _____
I could kiss them all day if she let me

She's so _____
And I tell her everyday

Oh, you know, you know
You know I'd never ask you to change
If perfect's what you're searching for
Then just stay the same
So don't even bother asking if you look okay,
You know I'll say

When I see your face
There is not a thing that I would change
Cause you're amazing
_____

And when you smile
The whole world stops and starts for a while
Cause, girl, you're amazing
Just the way you are

The way you are
The way you are
Girl, you're _____
Just the way you are

When I see your face
There's not a thing I would change
Cause you're amazing
Just the way you are

And when you smile,
The whole world stops and starts for a _____
'Cause, girl, you're amazing
Just the way you are, yeah
