"Just the way you are" by Bruno Mars:

Oh, her eyes, her _____

hair

Make the stars look like they're not shining

Her _____, her hair

eyes

Falls perfectly without her trying

She's so beautiful

And I tell her _____

Yeah, I know, I know

When I compliment her she won't believe _____

everyday

And it's so, it's so

Sad to think that she doesn't see what I see

But every time she asks me, do I look okay

I say _____

are

When I see your _____

There is not a thing that I would change

Cause you're amazing

Just the way you _____

me

And when you smile

The whole world stops and starts for a while

Cause, girl, you're amazing

Just the way you are, hey

lips

Her lips, her _____

I could kiss them all day if she let me

Her laugh, her laugh

She hates but I think it's so sexy

face

She's so _____
And I tell her everyday

Oh, you know, you know
You know I'd never ask you to change
If perfect's what you're searching for
Then just stay the same
So don't even bother asking if you look okay,
You know I'll say

Just the way you are

When I see your face
There is not a thing that I would change
Cause you're amazing

beautiful

And when you smile
The whole world stops and starts for a while
Cause, girl, you're amazing
Just the way you are

while

The way you are
The way you are
Girl, you're _____
Just the way you are

When I see your face
There's not a thing I would change
Cause you're amazing
Just the way you are

amazing

And when you smile,
The whole world stops and starts for a _____
'Cause, girl, you're amazing
Just the way you are, yeah
