

Reading time!

1. Read the text.

All about Arnold

Hi! I'm Arnold. I'm nine years old. I live in Brooklyn. I'm in 3rd grade. My birthday is on October 15th. My favourite colour is orange. My favourite month is March. My favourite season is spring. I'm tall and thin. I have got short brown hair and small eyes. I've got thick eyebrows but I haven't got eyelashes. I've got long arms and legs, a small nose and short fingernails. I love music.

My favourite wild animal is the lion. It's big and dangerous. It has got soft brown fur, a red mane and a short tail. It has got four big paws with sharp claws. It has got two small eyes, a big nose and long whiskers. It has got a small mouth with sharp teeth. It hasn't got fins or scales. It is fast. It likes meat.

I like my house. It is very big. It has got nine rooms. My favourite room is my bedroom. It's big and light-blue. In my bedroom there's a pink bed. On the bed there's a blue blanket. Above the bed there is a purple mirror. Next to the bed, there's a small yellow desk. There is a green computer on the desk. Next to the computer there is a red lamp on a brown night table. There's an orange window on the wall. Opposite the bed there is a big brown cupboard. Above the cupboard there is a TV. I love my bedroom.

2. Read the text again. Then, write T (True) or F (False).

- Arnold has got long brown hair.
- The lion has got soft fur.
- Arnold's favourite room is his bedroom.
- There is a purple blanket on the bed.
