- 12** Read the paragraph about Olivia's holiday in Greece last summer and answer the questions with complete sentences.

I had a fantastic holiday last summer. I went to Greece with my friends, Trudy and Jane. We didn't have much money, so we travelled by train and boat. We eventually arrived on the island of Santorini.

We stayed in a small hotel and we shared a room. It was very cheap, but clean.

Every day we got up quite late and had breakfast on the terrace outside the hotel. Then we went to the beach and swam or sunbathed for a couple of hours. We bought food from a shop for lunch, and ate it on the beach. In the afternoon we went walking or cycling. We had dinner in the hotel restaurant every evening. After dinner we went to the disco. We didn't go to bed until after one o'clock. I had a great time!
