| 4. A. results from | B. leads in | C. come from | D. results in |
| 5. A. establishes | B. estimates | C. ensures | D. encourages |

Part 5
Writing

Read the passage and choose the letter A, B, C, or D to indicate the correct answer to each question.

When you graduate from high school or university, is learning finished? The answer is no. In many countries, people continue learning all their lives. Why is lifelong learning important? How can it help you? Lifelong learning can be useful in many ways. People who want to change careers often return to study at a university. Some professions require employees to keep learning new ways to do things. For example, doctors and nurses must always learn about new illnesses and treatments. They must also practice the skills they have and keep learning new ones. Lifelong learning can help people stay healthy and independent. Many older people also feel that lifelong learning helps them stay close to young people. Lots of older people are now learning how to use computers. "I want to remain active _____ for my own health," said Mr. Salinas, a 91-year-old man taking computer classes. "I see my computer learning as _____ part of an active life and something that I can share _____ with my family."

6. What does lifelong learning mean?

- A. You stop learning after high school.
- B. You learn about life when you are a child.
- C. You continue learning for your whole life.
- D. You learn how to live for a very long time.

7. What does the article say about nurses?
- A. They use the same information for many years.
 - B. They must learn new things all the time.
 - C. They did not use technology in the past.
 - D. They need to work independently.
8. Lifelong learning can help people _____.
- A. be smarter than other people
 - B. live to be very old
 - C. stop being lazy
 - D. be healthy and independent
9. Which of the following might Mr. Salinas say?
- A. "Going to computer class makes me feel tired."
 - B. "I don't like going to computer class because I don't understand."
 - C. "Now, I can send emails to my grandchildren."
 - D. "Computers are for kids! I like books and newspapers."

Part 5
