Read the text.

Hello guys!

My name is Norman Green. I'm eleven years old and I go to school in a little village in England. It's a nice school and I've got lots of friends there.

I'm tall. I've got short straight brown hair and my eyes are blue.

I'm not a very quiet boy; I'm very active and determined.

I live with my parents, my sister and my brother. My father is a soldier, he's very brave. My mother is a shop assistant. She's very nice and friendly. My sister is 9 years old, she's a tomboy! My brother is 6 and he's very funny. And there's Nanny McPhee too, a very strange and magical nanny! I like helping my mother on the farm.

My favourite hobby is playing outside.
