

Call Out My Name

The Weeknd

We found each other

I helped you out of a broken place

You **gave give** me comfort

But falling for you was my mistake

I put you on top, I put you on top

I claimed you so proud and openly

And when times were **rough round**, when times
were rough

I **make made** sure I held you close to me

So call out my name (call out my name)

Call out my name when I kiss you **so too** gently

I want you to stay (I want you to stay)

I want you to stay, even though you don't want me

Girl, why can't you wait? (Why can't you wait,
baby?)

Girl, why can't you wait 'til I fall **in out** of love?

Won't you call out my name? (Call out my name)

Girl, call out my name, and I'll be on **my may**
way and I'll be on my

I said I didn't feel **nothing anything** baby, but I
lied

I almost cut a piece of myself for your life

Guess I was just another pit stop

'Til you **made up wake up** your mind

You just **waited wasted** my time

You're on top, I put you on top

I claimed you so proud and openly, babe

And when times **were where** rough, when times
were rough

I made sure I **hold held** you close to me

So call out my name (call out my name, baby)

So call out my name **while when** I kiss you

So gently, I want you to stay (I want you to stay)

I want you to stay even though you don't want me

Girl, why can't you wait? (Girl, why can't you wait
'til I)

Girl, why can't you wait 'til I fall out of **loving**
losing?

Babe, call out my name (say call out my name,
baby)

Girl, call out my name, and I'll be on my way, girl
I'll be on my

On my way, all the way
