ED SHEERAN - PHOTOGRAPH

1. Listen to the song and complete the lyrics:

	You know it can get hard sometimes It is the only thing that makes us feel alive But it's the only thing that I know When it gets hard Loving can hurt Loving can hurt sometimes
	Hearts are never broken Times forever frozen still We keep this love in a photograph We made these memories for ourselves Where our eyes are never closing
	Of your ripped jeans Holdin' me closer 'Til our eyes meet So you can keep me Inside the pocket You won't ever be alone Wait for me to come home

	And it's the only thing that I know (know) I swear it will get easier Remember that with every piece of ya And it's the only thing we take with us when we die Loving can heal Loving can mend your soul
	Where our eyes are never closing Hearts were never broken Times forever frozen still We made these memories for ourselves We keep this love in this photograph
	Holdin' me closer 'Til our eyes meet You won't ever be alone So you can keep me Inside the pocket Of your ripped jeans
	And if you hurt me That's OK, baby, only words bleed Inside these pages you just hold me And I won't ever let you go Wait for me to come home *[4x]*
	Next to your heartbeat Where I should be Keep it deep within your soul Oh you can fit me Inside the necklace you got when you were 16

	And if you hurt me Well, that's OK, baby, only words bleed Inside these pages you just hold me And I won't ever let you go
	Under the lamppost Back on 6th street Hearing you whisper through the phone, "Wait for me to come home." When I'm away I will remember how you kissed me
