

"Imagine"

John Lennon

Listen to the song and drag and drop the missing lines.

Imagine there's no heaven

No hell below us

Imagine all the people
Living for today... Aha-ah...

Imagine there's no countries

Nothing to kill or die for

Imagine all the people
Living life in peace... You...

But I'm not the only one

And the world will be as one

Imagine no possessions
I wonder if you can

A brotherhood of man
Imagine all the people

_____ ... You...

And no religion, too

Above us only sky

No need for greed or hunger

You may say I'm a dreamer

It's easy if you try

I hope someday you'll join us

Sharing all the world

It isn't hard to do
