Now and then I think of when we were
Like when you said you felt so
You could
Told myself that you were for me
But felt so lonely in your
But that was love and it's an ache I still
You can get addicted
To a certain kind of
Like resignation to
Always
So when we found
That we could not make sense
Well you said that we would still be
그 경우 나는 아니는 아니는 아니는 아니는 아니는 아니는 아니는 아니는 아니는 아니
But I'll admit that I was glad that it was over.
Determined delta become and one office
But you didn't have to cut me off
Make out like it never happened
And that we were nothing
And I don't even need your
But you treat me like a
And that feels so rough
You didn't have to stoop so
Have your friends collect your records
And then change your
I aware that I don't need that though
I guess that I don't need that though
Now you're just somebody that I know.
Now you're just somebody that I know.
Now you're just somebody that I know. Now and then I think of all the
