Hello Jane!

What experiences do you have travelling?

I love travelling I have been everywhere! I have traveled through every place near Huamachuco. I have climbed The Huaylillas, Tucupina, Marcahuamachuco and Miraflores. I have also visited Yanasara, El Eden and Sausacocha. One place I haven't been is to Huagacocha lagoon, but I am going there next summer.

I have spent about a month in Huaylillas with the countryside people. It was freezing but I have learned how to shear vicuñas. People live in small houses made of earth and stones with an ichu roof. I have also lived in El Olivo; where I have learned how to grow Lima trees among other fruits.
