

FORMALITY AND INFORMALITY

The words in capital letters each have an informal equivalent. Drag from the list on the right a suitable informal word to substitute so that the account still makes sense.

<p>The Patient's food became INADVERTENTLY _____ CONTAMINATED _____ with the HIGHLY _____ TOXIC _____ chemical FLUID _____ which he was spraying on his SMALLHOLDING _____. Only the ENORMOUS _____ RESILIENCE _____ of the PATIENT _____ and his willpower helped him to SURVIVE _____. MASSIVE _____ blood transfusions have been ESSENTIAL _____.
