

Name :

Task 3

2.3 Your idea for your enterprise is clearer now and you are very excited about the competition. However, you and your business partner need to show how you will get money to start the business. You have a business meeting with your partner about where and how you can get the money you need. Create a table, comparing different sources of money and the type of help available to you to start your enterprise.

Source	Explanation
Angel Investors	
Banks	
Personal finance	
Government grants
