

3. కూడికలు - Additions

Name -

Class :- III

Subject :- Maths

I. కింది సంఖ్యల మొత్తాన్ని లెక్కించి రాయండి.

Count and write sum of the given numbers.

ఉదాహరణ 1. $15 + 13$

Example

$$= 10 + 5 + 10 + 3$$

$$= 20 + 5 + 3$$

$$= 20 + 8$$

$$= 28$$

అ. $21 + 35$

$$= \square + \square + \square + \square$$

$$= \square + \square + \square$$

$$= \square + \square$$

$$= \square$$

ఉదాహరణ 2. $14 + 23$

Example

$$= 10 + 4 + 20 + 3$$

$$= 30 + 4 + 3$$

$$= 30 + 7$$

$$= 37$$

ఇ. $42 + 56$

$$= \square + \square + \square + \square$$

$$= \square + \square + \square$$

$$= \square + \square$$

$$= \square$$

3. $22 + 13$

$$= \square + \square + \square + \square$$

$$= \square + \square + \square$$

$$= \square + \square$$

$$= \square$$

ఈ. $55 + 11$

$$= \square + \square + \square + \square$$

$$= \square + \square + \square$$

$$= \square + \square$$

$$= \square$$

4. $34 + 21$

$$= \square + \square + \square + \square$$

$$= \square + \square + \square$$

$$= \square + \square$$

$$= \square$$

ఉ. $37 + 12$

$$= \square + \square + \square + \square$$

$$= \square + \square + \square$$

$$= \square + \square$$

$$= \square$$
