

The Saga of Biorn

Watch the video here:

Fill in the gaps

Some might ask: Who is this Viking and what made him throw a off a cliff? To find out, we have to go back in This aging, once mighty warrior is on his final journey, seeking a worthy death in honourable battle. then will he be allowed to enter Valhall, hall of the mighty gods of the, the only real home for a true Viking. If he fails, he will find himself in agonizingly Helheim. This is the Saga of Biorn.

Is Biorn doomed to die in battle? Will he join the gods in Valhall? Is he condemned to suffer eternal boredom in Helheim? It appears to be his

Choose the correct option

Why does Biorn want to die in battle?

Why does he dread ending up in Helheim?

How many opponents does he confront in battle?

What kills them?

How does the third one die?

The gate of Valhall opens and Biorn is nearly there, but then he ends up in another place. Where?

Why does he not go to Valhall?

Why is he so unhappy to find himself in this place?
