Suffixes

A suffix is a syllable added to the end of a root word.

Draw a line from the suffix to its meaning. *HINT: If you are stuck, think of a word you know that ends with the suffix.*

1. -ly	a. one who
2. -ful	b. without
3. -ian	c. answers how? Or how often?
4. -less	d. full of

Add a suffix to each root word so that it matches the new meaning.
