## The holiday

There we were, there we  
We were on the                    again  
On |                            .

We ,                    our bags  
And jumped on a  
In just two hours  
We were there again.

We walked on the  
And                    I in the sun  
We sailed a  
It was a lot of fun!
