

Don't feel like crying

Sigrid

I know I should be
Sitting on my couch,
I know I should
Staring at the ceiling,

--Pre-chorus--

Wallowing in it
That isn't gonna

No, oh

--Chorus--

Ooh, yeah

'cause I don't feel like crying

Ooh, yeah

, no, I don't feel like crying

Hope you don't blame me
My heart is aching,
I hope you understand
It's my way of healing,

--Pre-chorus--

No, oh

--Chorus--

--Bridge--

It hasn't me yet

And I know if I home I'm gonna upset

Yeah, it hasn't me yet

And I know if I home I'm gonna upset

Ooh

It hasn't me yet

And I know if I home I'm gonna upset

At least tonight, no, I don't feel like crying

--Pre-chorus--

No, oh

--Chorus--

--Bridge--

ordering takeout
be all in my feelings
that's what you do
but here's the truth

fix it anyway
would be such a waste

At least tonight
I dry my eyes

do you feel it too?
for what I'm saying
but here is the truth
that I'm dealing

go go go

hit hit hit

get get get
