Dear Quest team,

My name's Jim. In my free time I like going to the cinema. My favourite films are adventure films. I also like doing magic tricks. I normally use a pack of cards and do magic tricks for my sister and my friends. I don't like painting pictures. My friend's name is Diana and she loves painting pictures. She loves playing the drums, too. She's really good! She likes doing exercise, but she doesn't like going to the cinema. She likes my magic tricks!

Bye, Jim
