Song: HAPPIER

Lately, I'v bing, I've been thinking
I want you to be happier, I want you to be jappier.
When the morning comes
when we see what we've bicome
in the cold light of day we're a flame in the wind
not the fire that we've begun.
Every argument, every word we can't take back
'cause with the all that has appenet
I think that we both know the way that this story ends,
Then only for a minute,
I want to change my mind
'cause this just don't feel right to me
I wanna raise your zpirits
I want to see you smile but
