

Guided Practice

Divide. Use multiplication to check.

2. $\square\square \text{ R } \square$

$$\begin{array}{r} 5 \overline{) 59} \\ \underline{\square} \end{array}$$

$$\begin{array}{r} \square 9 \\ \underline{\square} \end{array}$$

$$\begin{array}{r} \square \end{array}$$

Check: $\square \times 5 = \square$

$$\square + \square = \square$$
