Take your child to work day

My dad works in a big building on Green Street. He's a firefighter. Today is *Take your child to work* day. I'm at work with my dad!

At 9.30 a woman calls. She can't open the door of her flat. She says, 'I can't find my key. My babies are in the flat.' 'Don't worry,' says my dad. 'We can help you.'

We arrive at the woman's flat. She's in her garden. She hasn't got her key. There are lots of flowers and trees in the garden. I see something under a flower. 'Look,' I say. 'Here's a key!'
