Last year I went to a beautiful place with my family. Dad took us in his car. There were mountains and a big lake. There weren't any boats on the lake, because it was very cold but there were people skating, so my sister and I put on hats, scarves, coats and gloves. Then we tried to skate. We weren't very good and we skated slowly, but it was exciting! Dad took pictures with his camera.

At about 7 o'clock, Mum and Dad took us to a café in a small village near the lake because we were very hungry and we ate fish and chips. What a good day! When I went to school again on Monday, I showed the photos to my teacher and the children in my class.
