

Use the verbs in brackets to complete the following sentences. Make sure the verb is in the correct form: affirmative or negative.

- 1 She wishes she (choose) the red dress yesterday. Her mother says it makes her look ridiculous.
- 2 I wish I (think) of that. It's a great idea to invite your brother to stay.
- 3 I wish you (drink) your tea so noisily. It's so annoying.
- 4 I wish I (have) some money. I would really like to go to university.
- 5 I wish you (keep) your room clean and tidy. It's always in a terrible mess!
- 6 He wishes he (live) so near a busy road. Visitors always have a problem finding a parking space when they go to see him.
