Name: _____

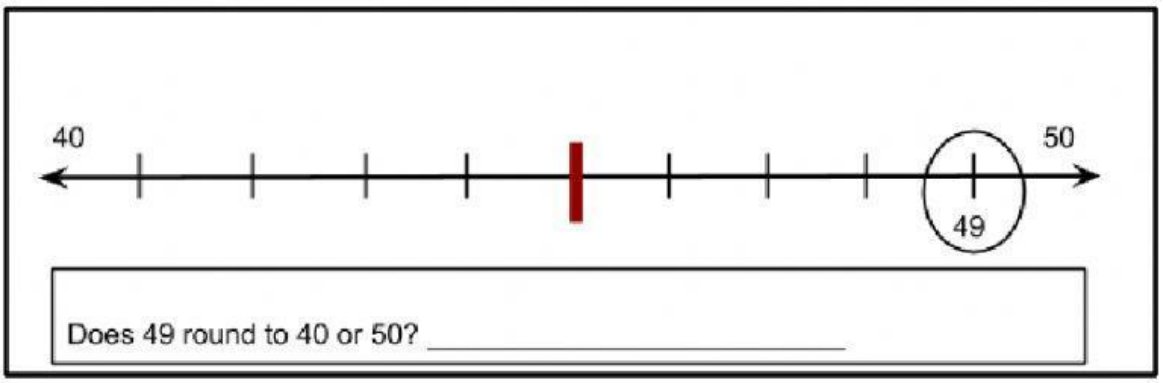

Rounding Practice

Look at each number on the number line. Circle where the number will round to the nearest ten.

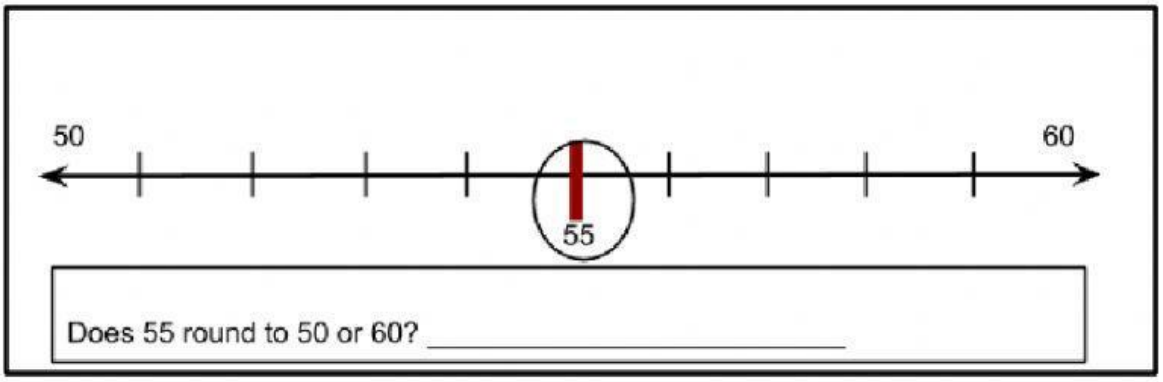

Remember: if the one's place has 5, 6, 7, 8, or 9 shove it up! If it has 4, 3, 2, or 1 keep it low.

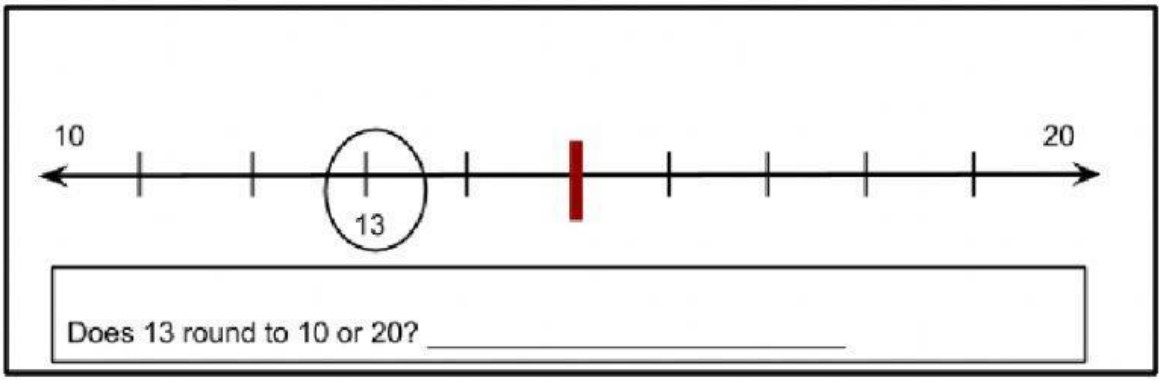

Does 3 round to 0 or 10? _____

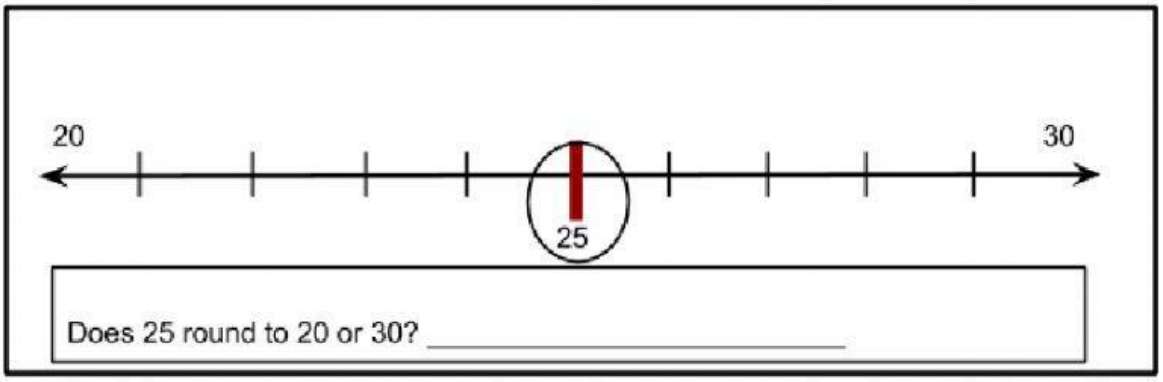

Does 49 round to 40 or 50? _____

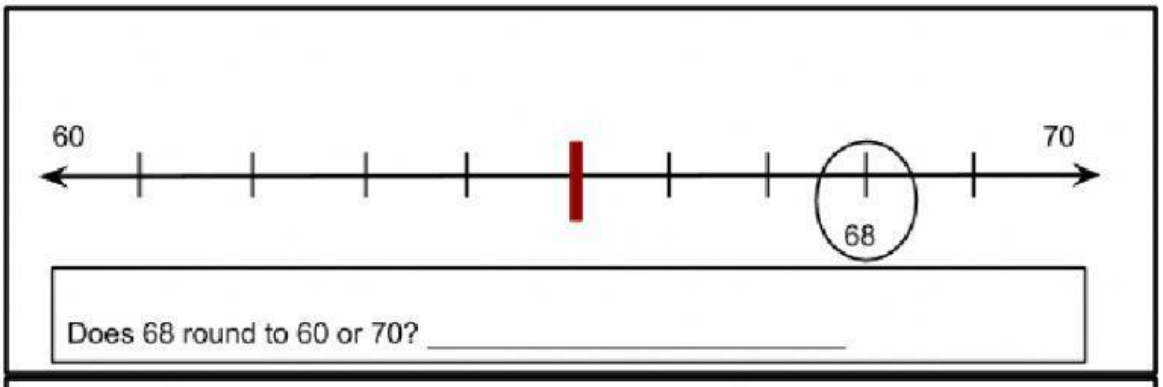

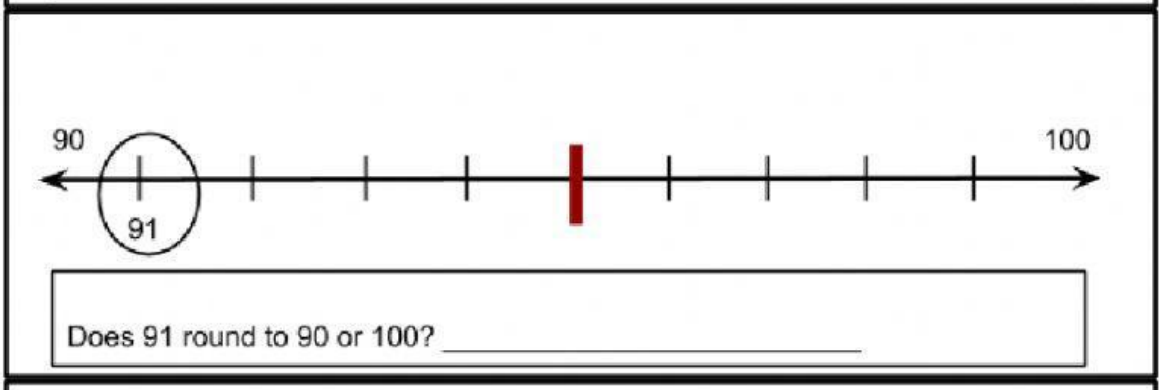

Does 55 round to 50 or 60? _____

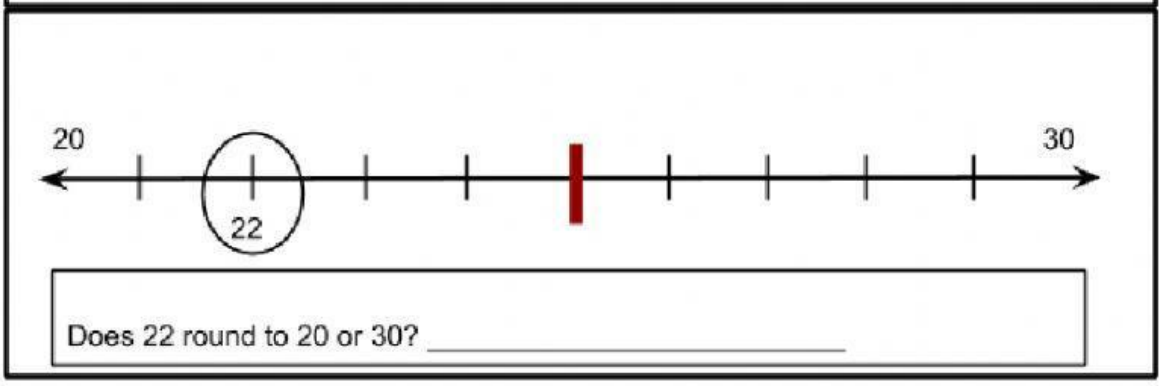

Does 13 round to 10 or 20? _____

Try without a number line. Circle the number that rounds to the nearest ten.

1) 59 50 or 60 2) 11 10 or 20 3) 66 60 or 70 4) 34 30 or 40
