### "Thinking Out Loud"

And I can't sweep you off of your feet

And, darling,

And, baby, my heart could still fall as hard at 23

And I'm thinking 'bout how people fall in love in mysterious ways

Well, me—I fall in love with you every single day

And I just wanna tell you I am

So, honey, now

I'm thinking out loud

Maybe we found love right where we are

memory fades

And the crowds don't remember my name

I know you will still love me the same

'Cause, honey, your soul could never grow old, it's

1 While you listen, drag the phrases below to complete the song on the left.

When my hands don't play the strings the same way (mmm...)

Place your head on my beating heart

When my hair's all but gone

Kiss me under the light of a thousand stars

I will be loving you 'til we're 70

Take me into your loving arms

When your legs don't work like they used to before

Maybe just the touch of a hand

Will your mouth still remember the taste of my love?

Will your eyes still smile from your cheeks?
