

Listening Task

Real World TASK: Understand a server in a restaurant.

Listen **only two times**. If you listen more, it's not a fair assessment for intermediate learners.

1. How many people are eating together? 1 point
2. Did they sit at a table or at a booth? 1 point
3. What did they order? 2 points
4. What did they complain about? (2 things) 2 points
5. Were they satisfied with their meal? 1 point
6. What are they celebrating? 1 point
7. How much did he pay including the tip? 1 point
8. How did they pay their bill? 1 point

Success = 8/10
