

1 Jack and Alex are going to the river for a picnic. There are sandwiches, cakes, bananas and pears in the basket . . . and Jack has a big bottle of Pepsi. Alex has two towels in his bag – they are going swimming.

2 They have good bicycles. They are riding beside the river now. Jack has the picnic basket on the back of his bicycle.

3 They are under a big tree near the river. The picnic basket is beside the tree. Alex is taking the towels from his bag. A cow is looking at Alex and Jack.

4 They are swimming in the river. The cow is looking at the basket. She is smelling the cakes and sandwiches. She is hungry.

5 Oh no! The cow has a pear in her mouth – she is eating the picnic!

6 Now the children are looking at the cow. They are shouting, but the cow is not listening. She is eating.

7 Jack has a stick – he is throwing the stick at the cow and Alex is shouting. But the cow is not hungry now . . . and there are no sandwiches or cakes for the children.
