Subject: New cooking club

Hi,
Thanks for joining my new club. My idea is to help you improve your English while you learn to cook delicious food!

Can you let me know if you've cooked much before?

We could cook foods from different countries, or we could all bring our favourite recipes from home. What do you think would be better?

Are there any foods that you don't want to cook? I hope you will enjoy my club.

Bye,
Ms Daniel
