Subject: New cooking club

Hi,

Thanks for joining my new club. My idea is to help you improve your English while you learn to cook delicious food!

Give Ms Daniel details.

Great

Can you let me know if you've cooked much before?

Suggest

We could cook foods from different countries, or we could all bring out favourite recipes from home. What do you think would be better?

Are there any foods that you don't want to cook? I hope you will enjoy my club.

Explain

Bye,
Ms Daniel
