

Song: Nothing Breaks like a heart (Mark Ronson, Miley Cyrus)

1. Listen and number the lines.

\_\_\_\_\_ And nothing breaks like a heart  
\_\_\_\_\_ Things fall apart, but nothing breaks like a heart  
\_\_\_\_\_ This world can hurt you  
\_\_\_\_\_ It cuts you deep and leaves a scar

2. Find the word that is extra.

I heard you on the phone at last night \_\_\_\_\_  
We live and die by pretty old lies \_\_\_\_\_  
You know it, oh no, we both know it \_\_\_\_\_  
These silver bullet cigarettes burn \_\_\_\_\_

3. Complete with the correct word.

This burning \_\_\_\_\_, there's nothing left  
It's smoking, we both \_\_\_\_\_ it  
We got all \_\_\_\_\_ to fall in love  
But just like that we \_\_\_\_\_ apart  
We're \_\_\_\_\_, we're \_\_\_\_\_

4. Choose the word you hear.

(Pre-Chorus)  
Well nothing, nothing, nothing gon' **save / have/ blame** us now  
(Chorus)  
Well, there's broken **violence / solace / silence**  
By thunder **dashing / crashing / bashing** in the dark  
(**Dash / Crash / Bash** in the dark)  
And this **stolen / broken / taken** record  
Spin endless circles in the **car / far / bar** (Spin' round in the **car / far / bar**)

5. Listen and number the lines

\_\_\_\_\_ And nothing breaks like a heart  
\_\_\_\_\_ Things fall apart, but nothing breaks like a heart  
\_\_\_\_\_ This world can hurt you  
\_\_\_\_\_ It cuts you deep and leaves a scar

6. Complete with the words from the table

hold	what	know	high	blowin'	said	dry	we	leave	drunk
------	------	------	------	---------	------	-----	----	-------	-------

We'll \_\_\_\_\_ each other cold as ice  
And \_\_\_\_\_ and \_\_\_\_\_, the desert wind  
Is \_\_\_\_\_, is \_\_\_\_\_  
Remember \_\_\_\_\_ you \_\_\_\_\_ to me?  
\_\_\_\_\_ were \_\_\_\_\_ in love in Tennessee  
And I \_\_\_\_\_ it, we both \_\_\_\_\_ it (Pre chorus and chorus)
