

Oblicz według wzoru

$$275 + \mathbf{312} = 275 + \mathbf{300} + \mathbf{12} = 575 + 12 = 587$$

$$150 + 240 =$$

$$365 + 111 =$$

$$252 + 236 =$$

$$333 + 301 =$$

$$568 + 212 =$$

$$742 + 132 =$$
