

# ANIMAL CELL

## LABEL THE PARTS

### Clues:

|             |               |                   |                 |
|-------------|---------------|-------------------|-----------------|
| Cytoplasm   | Golgi vesicle | Golgi apparatus   | Plasma membrane |
| Nucleolus   | Lysosome      | Ribosome          | Smooth ER       |
| Microtubule | Rough ER      | Secretory vesicle | Peroxisome      |
| Nucleus     | Vacuole       | Centrioles        | Mitochondrion   |
| Chromatin   |               |                   |                 |
