

Classify the following linkers according to their function. Write the number in the box according to their discourse function.

For listing:1

Cause and effect phrases:2

For opinions:3

For exemplifying:4

Speculating:5

For contrasting:6

To conclude:7

On the one hand

.....may//might well

Lastly

Since

Thus

For example

It is my opinion that

Although

For instance

In all probability

It is (un)conceivable

Whereas

To sum up

Secondly

Next

Owing to

As I see it

Nevertheless

In conclusion

To take (just) one example

The next point

For this reason

In my opinion

To conclude

while

It is (un)likely that

As for...

First of all

Consequently

Personally

In contrast

Therefore

First

Firstly

Finally

...led to...

A clear example of...is/might be

However

At the same time

There is a chance that

On the other hand

In the first place

Last of all

The final point

As a result (of)

To me

To begin with

To turn to

My view is that
