Last September I bought a pair of leggings on a web page, I for them all this time and they yet.

I have with my uncle for three months and I my payment. For the last hour, I outside his office to talk to him. I hope this time I can get my money.

I'm studying the last semester of the major. I on my thesis for the last six months. My USB drive broke down and all the information and work. This is awful. I to reach my assessor, but I haven't been able to talk to him. I'm at his office right now. I have been here for almost two hours and he hasn't arrived. How frustrating!
