

## **Farm animals and listening – minitest**

1) You will hear 8 short listenings where you should focus first on animals; and while the second listening focus on what the animals are doing.... **There will be eight of these animals:**

**monkeys, zebras, kangaroos, camels, a brown bear, a tiger, a lion, bats, elephants, a giraffe, a crocodile, a lizard, a snake, penguins and parrots.**

Complete the chart and then listen again and write what the animals are doing.... (*They are eating grass. It is hiding behind a rock.*)

	<b>Animals</b>	<b>What are they doing?</b>
1	bats	They are flying.
