

## Content exercise 2: Completing the text

Have you pictured yourself doing something more interesting instead of wasting your time? Having a healthy life is a decision we all should make, so we can have a better life.

Clark is a guy whose lifestyle isn't the best. How would his life be if he did things differently? Read about him and then complete the sentences with the correct form of the verb in parentheses.

### Poor Clark!

Clark is a guy who usually gets sick because he doesn't have a healthy lifestyle. He eats lots of junk food and smokes a package of cigarettes a day. Obviously, he doesn't do exercise. He is a couch potato. He is always sitting on the couch watching movies and series on Netflix. He is overweight, so he isn't that confident. He is very shy and doesn't go out very often because he doesn't have many friends. Most of the time, he is depressed, so he eats junk food and drinks pop to feel better. This is a never-ending story! Poor Clark!

## Completing the text

Drag the different options to the appropriate spaces to complete the sentences. You have two attempts to answer the exercise. You can know your score at the end of the exercise.
