

Read what the people say. What type of holiday in the box is best for them?

- 1 **Joe and Mary:** 'We love the idea of the open seas and waking up in a different place each day.'
- 2 **Will:** 'I don't mind being on my own and living out of a bag. It's a great way to see the world on a tight budget.'
- 3 **Jack and Karen:** 'We need a holiday for the whole family. We want to pay for a holiday and know that everything is included.'
- 4 **Simon:** 'It's got to involve driving. I love watching the scenery as I drive by. I reckon the USA from coast to coast would be awesome.'
- 5 **Marisa:** 'I love short trips, going sightseeing and collecting cities! I've got photo albums of all the places I've been to so far. I'd like to add a few more places to my photo albums!'
- 6 **The Wilson family:** 'We're a real outdoor type family. We love walking in the countryside, whatever the weather. We'd love to sleep under the stars.'
