

OURS

by Taylor Swift

Elevator buttons and morning air,
Strangers silence makes me want to take
the stairs,
If you were here we'd laugh about ___
vacant stares,
But right now, ___ time is ____.
Seems like there's always
Someone who disapproves,
They'll judge it like they know about me and
you,
And the verdict comes from those with
nothing else to do,
The jury's out, And ___ choice is you.
So don't you worry ___ pretty little mind,
People throw rocks at things that shine,
And life makes love look hard,
The stakes are high, The waters rough,
But this love is ____,
You never know what people have up ___
sleeves,
Ghosts from ___ past gonna jump out at
me,
Lurking in the shadows with ___ lip gloss
smiles,
But I don't care,'
Cause right now you're ____,
And you say, So don't you...
