

MY HOUSE

I live with my parents and brother and sister. We live in a flat near the city centre. The flat is in a large, **modern block** called Queen's Court. There are six floors in the block. We live on the sixth floor. We get a good view of the city from our flat. We usually take the lift to get to our flat.

Our flat has two large bedrooms and one small one. My parents sleep in one of the large rooms. My brother and I share the other large bedroom. The small room is my sister's.

The flat also has a large sitting room. There is a large kitchen with a dining table at one end. At the other end there is a large bathroom with a shower and a bath.

I really like living here. I hope we never move.
