

Why traveling is important

First WATCH the video, then do exercises 1 to 4!

(1) Watch the video again and fill in the missing words:

- 1 We all need a break from our everyday life. Going on a travel is fun and fulfilling, but you can a lot more by actually traveling, and being present at the places you visit.
- Some benefits of traveling:
- 5 (a) **It is better to spend your money on experiences rather than on material things.**
- The you collect are like They will remain forever and will bring you more than new clothes or other material things. Think how good it will feel when you are old and you look back to see not only an but also adventures and you had gone
- 10 through. And not only when you are old, ever a few years from now you can recall how you had and plan your next adventure. In the end, you will not the things you have done but the things you did not do.

(b) Traveling is a great opportunity to temporarily get away from your everyday life and look at it from a different point of view.

15 It's so much easier to deal with and solve problems when you look at them from the While traveling you have a lot of time to think without and make healthy You have a better perspective and maybe even realise that things are not as bad as you thought. In our everyday life we are used to doing the same things, meeting the same people, going to the same places. We basically live in our

20 **(c) When you travel, you get out of your bubble.**
