The diagram shows a four-way intersection. A vehicle is approaching from the bottom, indicated by a purple arrow. It is positioned in front of a triangular 'Yield' sign. To the left of the vehicle is a rectangular sign with the number '2' and an upward-pointing arrow. To the right of the vehicle is a rectangular sign with the number '1' and a left-pointing arrow. Further to the right is a square sign with the text '42 En'. To the left of the intersection, a rectangular sign with the number '3' and a right-pointing arrow is visible. The intersection is marked with white lines, and the surrounding area is light gray.

- 
- A decorative banner featuring a repeating pattern of various traffic signs on the left and right, including a red octagonal 'STOP' sign, a blue circular '60' speed limit sign, a red triangular warning sign with an exclamation mark, a blue circular sign with a downward arrow and a red upward arrow, and a blue square information sign with a lowercase 'i'. In the center of the banner is the black and white coat of arms of the Dominican Republic, which is a shield divided into four quadrants by a cross, with a crown on top and the word 'DOMINICAN' inscribed on a banner above it.
